of office for the Mayor and City Commission.**

Shall the Charter be amended to provide City elections shall be held every other year, by providing four year terms for the Commissioners and Mayor; with a transition whereby elections for four year terms shall commence in 2014 for Commissioner seats 1 and 2, in 2016 for Commissioner seats 3 and 4, and in 2018 for the Mayor; and amending term limits for the Mayor and City Commissioners to three consecutive full terms in office.

Yes

No

Explanation for a NO vote:

- A NO vote protects against electing a majority "slate" of three members at one time who would serve four years without challenge.
- A NO vote protects our current right to change the majority view on the City Commission annually, assuring governance is responsive to the wishes of the citizens.

Vote **NO to longer terms.**

Keep our mayor and commissioners accountable.
