**NARRATIVE CONTINUATION**

On November 06, 2010, at approximately 1522 hours, I was dispatched to the lobby of the Winter Park Police Department, located at 500 North Virginia Avenue, in reference to a battery. Upon arrival, I met with the victim, Bonnie Jackson (W/F 08-29-63), who provided a sworn written statement and the following information:

On the above mentioned date, at approximately 1000 hours, Jackson arrived at Fleet People's Park, located at 2000 South Lakemont Avenue, for a public meeting. The purpose of this meeting was to discuss recent changes being made at the park. The meeting took place around a picnic table, and Jackson estimates that approximately ten people were in attendance.

During this time, Jackson claims that several individuals began to single her out and accuse her of wanting to close the park. At this point, Jackson alleged that a woman by the name of Sandra Womble (W/F [REDACTED]) became very confrontational, came behind her (on her left side), and shoved her on her left arm. Jackson proceeded to tell Womble "Never touch me again." Jackson said that Womble called her names to include "Bitch" "Bully" and "Liar".

Jackson stated that a man by the name of Joseph C. Brock (W/M [REDACTED]) was also in attendance. Jackson mentioned that Brock was screaming at her and causing a scene.

Jackson is currently a sitting member of Parks and Recreations, and knows both Womble and Brock from their appearances at prior meetings.

Although I explained to Jackson that yelling at someone and cursing are not crimes, she did feel that Brock affected the peace and quiet of others at the park. She further believes that his behavior was a breach of peace.

Furthermore, Jackson did not give Womble permission to touch her in any way, and she advised that she will press charges.

I was not able to take statements from any other party involved (since this information was provided after the fact, and I was not on scene). Jackson was provided a copy of her statement, along with a Victim's Rights Pamphlet.

**VICTIM: BONNIE JACKSON  
SUSPECT: SANDRA WOMBLE**

I was assigned to this case on November 9, 2010.

This case involved a reported battery which occurred at Fleet Peoples Park, 2000 Lakemont Avenue South, sometime between 1000 hours and 1200 hours on November 6, 2010. Bonnie Jackson reported that during a public meeting of Friends of Fleet Peoples Park, Sandra Womble, a white female born on ~~01/12/1967~~, battered Bonnie Jackson by poking Bonnie Jackson on the left upper arm with her fingertips. Bonnie Jackson reported that Sandra Womble poked her in this manner two (2) times with enough force to shove Bonnie Jackson aside. Bonnie Jackson reported that she then told Sandra Womble not to touch her again. Bonnie Jackson indicated Sandra Womble is known to her from meetings before the City of Winter Park Parks and Recreation Commission, of which Bonnie Jackson is a sitting member.

Additionally, Bonnie Jackson reported that other individuals in attendance of the meeting, Joseph C. Brock and Carla Lubet, screamed and yelled at her in an apparent effort to get her to leave the park. The initial report indicated Bonnie Jackson expressed the belief that the actions of these individuals were possibly a criminal offense of breach of public peace. No other complaints of a breach of public peace were reported to this agency on the date and time in question.

On November 9, 2010 I spoke to Bonnie Jackson by telephone. Ms. Jackson confirmed her account of the incident as described in her sworn statement. Ms. Jackson advised she sustained no bruising or other physical injuries as a result of the alleged battery. I asked Ms. Jackson if she was able to provide information about other possible witnesses to the alleged battery. Ms. Jackson advised she did not know of any witnesses that observed the alleged battery as it occurred. Ms. Jackson provided the following names of individuals at the park at the time of the incident: Joseph Edmonds, Robert Atkins (407-227-5275), Pat Fishback, Gerhard Adler (407-491-6890). Ms. Jackson advised Gerhard Adler was at the park to photograph violations of the park policies occurring on the day in question. Ms. Jackson confirmed she would be able to positively identify Sandra Womble from a photo lineup.

I explained to Bonnie Jackson that there was insufficient evidence to charge any of the aforementioned individuals with breach of the public peace. I informed Ms.
